Medical Insurance

†2043. SHRI RAM JETHMALANI:
DR. MURLI MANOHAR JOSHI:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that 71 per cent population of the country is deprived of insurance system is order to get medical facility;

(b) if not, the facts in this regard;

(c) whether it is also a fact that as per existing system of medical treatment, only 72 per cent population of the country can be benefited for one year only in case of a major disease, on the basis of his financial entitlement; and

(d) if not, what is the assessment of Government in this regard?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. ANBUMANI RAMDOSS): (a) and (b) About 10 per cent of population in India is covered through any form of insurance system including self funded to get medical facility.

(c) and (d) Normally health insurance policies are issued on annual basis and are renewable each year. For the treatment of any disease the financial entitlement is based on the limits of sum assured of the policy. All people including those covered under health insurance can access public health system for any treatment.

Increasing health care rates

†2044. SHRI RAM JETHMALANI:
SHRI RAJ MOHINDER SINGH MAJITHA:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that there has been an increase in the health and medical facilities in the country at public and private level during the last few years;

(b) if so, the details thereof;

†Original notice of the question was received in Hindi.

(c) the assessment of the facilities established in the medical system in the public and private sectors during the year 2006-07; and

(d) the estimates thereof at the end of 2012?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. ANBUMANI RAMDOSS): (a) to (d) Data for increase in Government facilities as per information available in "Health Information of India 2005" is given in the Statement (See below). The data regarding number and assessment of private health facilities is not maintained centrally by the Government of India. Health is a State subject. Under the National Rural Health Mission (NRHM), Community Health Centres (CHCs) and Primary Health Centres (PHCs) are being upgraded to the Indian Public Health Standards (IPHS). The assessment of the facilities in the facility survey formats has been completed by 14 States.

Statement
